DESCRIPTION

In this apartment you live as stylishly and comfortably as in a boutique hotel and enjoy the privacy and individuality of a fully equipped luxury residence. Located in an old charm building between the Hackesche Höfe and Prenzlauer Berg, this is an ideal starting point for all activities-sightseeing, shopping or night owls. Opposites attract! This contrasting, lively apartment is the best proof of this. Bright and friendly, with lots of natural wood and an airy atmosphere, this apartment in the rear building welcome their guests. Not only are the dining, living and sleeping areas flowing into each other, the bathtub is also on golden feet in the room.
